SECTION II — COVERED AUTOS LIABILITY COVERAGE

A. Coverage. We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

This coverage applies on an **occurrence** basis; however, defense and supplementary obligations under paragraph A.2 are administered on a **claims-made** basis as respects "covered pollution cost or expense".
